#### Chapter Presidents

Just a short note to introduce us to you, as we have volunteered to take over the operation of the Alberta Good Sam Provincial Stores.

Our names are Duane and Lynda Pilson. Most of you won't know us, but we are not new to the Good Sam Organization. We have been members of Good Sam since the mid 1970's and members of an Alberta Chapter (Calgary Wild Rose ) since the mid 1980's.

It is our pleasure to be able to supply you and your members with items that reflect your membership in the organization. In an effort to increase the selection of these items, we are asking you to check with your members and find out what new items they would like us to start stocking. In keeping with this, we are bringing a number of new items, to the spring meeting, as examples of items which might be of interest to members..

Feel free to drop us an email at [rvsaftee@telus.net](mailto:rvsaftee@telus.net) with any ideas.
